

SENSATIONAL CHARGE MADE

Enid Transfer Man Arrested
for Alleged Fraud.

RAISED FREIGHT WEIGHTS

Collected More Than Amount
Rightly Due.

Enid, O. T., Feb. 19.—Enid is greatly excited over the arrest of Mr. and Mrs. Fred Brown, charged with raising weights on freighted goods.

Mr. Brown is the leading transfer man of Enid, and for years has delivered Rock Island freight to the merchants in town. He would take the bill of lading or freight bill, deliver the goods and collect the charges, settling with the railroad.

The allegation is now made that he and his wife have been raising the weights on bills of lading. For instance, if a merchant brought in a bill of goods weighing 30 pounds, the weight would be raised to 70 or 80, or whatever the conditions would stand. The merchant, having confidence in the accuracy of the railroad and the integrity of Mr. Brown, paid the bill without question.

But occasionally a shipment would show over-weight, because the buyer knew just what he had bought, and complaints naturally arose until the Rock Island agent found it necessary to look into the matter. Agent Williams reported the sundry complaints and W. O. Mackintosh, a detective for the road, pursued an investigation with the result of the arrest of Mr. and Mrs. Brown.

It is stated that the bond for their release from jail will reach \$50,000, as there are fifty-three counts in the indictment.

Mr. Brown has done a good business, and his excellent reputation heretofore has added to the sensation caused by his arrest.

It is said the charges date back to April, 1903, but many merchants have destroyed their receipts and there is no way of ascertaining the exact amount of his alleged illicit earnings.

Frank Lovell and Tom Givens, employees of the transfer company, were arrested on a similar charge and the same action taken with the exception of the bond being made \$50 in their cases, making a total bond for the four reach the sum of \$20,000.

The complaints as filed by County Attorney Stargis name the following businesses as witnesses in the case: Hirsch Brothers, Evans Brothers, A. Hirschberg, P. Bowers, F. D. Curtis, W. B. Fountain and B. F. Thompson, in the latter instance, while Kennedy Brothers and others are named in the seventeen forty cases. Eugene Taylor, Charles Heaton, C. C. Ezell and W. F. Archy are witnesses in the cases. They were placed under bond of \$100.

The first case in the preliminary will be that of forgery, in which Kennedy Brothers are named as prosecuting witnesses. It is alleged that forged instruments were used in collecting freight bills. This case will be heard, after which the preliminary hearings in the other cases will be continued until March 4th.

The Brown Transfer company has been one of the prosperous institutions of the city, and Mr. Brown has been prominent in the affairs of the city.

Only last week he resigned his position as a member of the city council, serving from the second ward. His business has been practically without competition and has been engaged in transferring freight and making collections for the railroad companies. Mrs. Brown has been secretary and collector of the company.

TO HELP THE COLLEGE.

Rev. A. P. Stone Will Seek to Raise
Needed Funds.

Blackwell, O. T., Feb. 19.—The board of trustees of the Baptist college met on Tuesday and transacted considerable routine business, but the principal feature of the meeting was the appointment of Rev. A. P. Stone, of Shawnee as financial agent for the college. Mr. Stone went to Shawnee today and will meet Rev. M. P. Hunt tomorrow and confer with him on the matter in hand. Both gentlemen are connected with the Southern Baptist convention. Both are gentlemen who don't do things by halves and anticipations are entertained of their success in removing the incubus that hangs over the college.

GOULD ON BAIN'S REPORT.

Asserts That the Geological Survey
Was Impartial.

Norman, O. T., Feb. 19.—A few days ago advance information concerning Mr. Bain's report on the Wichitas was published in the daily papers. This report stated that of the 71 specimens of ore examined not even one showed a trace of gold. Long and loud have the miners of the Wichitas proclaimed there was gold in the mountains. Mr. Gould, geologist of the Oklahoma university, and also doing special United States geological work in company with Mr. Taft, United States geological surveyor, made a survey of these mountains about three years ago. These gentlemen were unable to find any mineral veins of gold ore.

The people of the Wichitas buried all manner of malicious stories at these two gentlemen after they had reported the facts as they were found. Each of these geologists has had at least ten years of experience in geologic field work.

Not satisfied with the report of Mr. Taft and Prof. Gould, a special geologist from the United States department was sought. Mr. Bain was sent complying with their request.

Mr. Bain made a personal examination of the Wichitas. Concerning Mr. Bain's report and the "topical" gold in the Wichitas, Prof. Gould, when interviewed, said: "Mr. Bain was sent to examine the Wichitas at a special request from the people. Mr. Bain made selections of mineral from the place the miners directed. He gathered his specimens exactly where the miners wanted him to get them. These specimens were boxed and sent to Washington where they were examined by a chemist in the gov-

GIRLHOOD'S DANGERS

A Simple and Certain Method by Which
Chlorosis, a Frequent Affliction
of Growing Girls, May
Be Overcome.

Every mother knows that the danger line in the development of a girl is crossed at the point where girlhood and womanhood meet. It is that time in the blood when the system is unbalanced, if neglected, become seared diseases disturbing all the later life and frequently lead to consumption and the most frightful derangement of the nervous system. This critical point cannot be too closely guarded. Care insures robust health; neglect means living misery.

Mothers of growing girls can profit by the experience of Mrs. E. C. Young, of No. 303 Lynn street, Ithaca, N. Y., who was safely brought through her girlhood's critical period by a simple course of treatment, after physicians had failed to help her.

"When I was seventeen," she says, "I began to fail in health and, in spite of all the medicines our family doctor gave me, I continued to grow worse. Neither he nor another doctor who also attended me, seemed to be able to reach the cause of my trouble. It was chlorosis, they said, a form of anemia with which girls of about that age are often afflicted. I was troubled with shortness of breath, hadn't a bit of color and couldn't go upstairs without being all tired out. My limbs were dreadfully swollen and my appetite entirely gone. I had nervous headaches for which a doctor recommended glasses, but the glasses did not cure them. Each month I suffered a great deal of pain and was very irritable."

"This condition kept growing worse for three years until finally it became intolerable and I began to hunt eagerly for some remedy that could effect a certain cure. Finally I found a friend who told me she had been cured of a similar trouble by Dr. Williams' Pink Pills for Pale People. After her case had been pronounced hopeless. Upon her strong recommendation I decided to take this remedy. Relief was almost immediate and after using the pills for a short time I was cured altogether and I have remained perfectly well and strong ever since."

The value of such a remedy is beyond the power of words to express, for it determines the happiness of a lifetime and it is fortunately within the reach of all who need it. These pills have also cured locomotor ataxia, partial paralysis, St. Vitus' dance, sciatic neuralgia, rheumatism, nervous headache, after-effects of the grip, palpitation of the heart, pale and sallow complexion and all forms of weakness in either male or female. Dr. Williams' Pink Pills for Pale People are sold by all druggists, or will be sent direct from Dr. Williams' Medicine Co., Schenectady, N. Y., postpaid on receipt of price, fifty cents per box; six boxes for two dollars and a half.

ernment employ. The result we well know no gold was found.

"The miners ought to know that Mr. Bain's report was as impartial as any report could be. In the first place no geologist in the government employ is allowed to be interested in mineral land directly or indirectly, or a United States geologist is not even allowed to have a private museum. Mr. Bain could have no motive in coloring his report, none whatever. He selected many of the specimens of the minerals and sent them to Washington, and after numbering the specimens turned them over to a government chemist for analysis. The chemist examined the specimens by number, not knowing or caring where they came from, and submitted his report."

"Mr. Bain had nothing to do with the analysis. He then compared the analyzed numbers with his field note book and found the analysis of the minerals in their respective localities. Nothing could be more fair or impartial. Mr. Bain is a geologist of good repute and has served on various state surveys, notably the Iowa geological survey and is well experienced in field work.

"Personally I have never said there is no gold in the Wichitas. On the other hand I have always been of the opinion that a small amount of it does exist there. Gold in some quantities has been mined in North Carolina for many years and made to pay moderately and the geological structure of the Wichitas is like that of the Appalachians in North Carolina but not like that of the Rockies and the ore in the Wichitas might be mined at a profit if all the material as flumes, fuel and so forth could be obtained at a minimum price. My contention, however, has always been that it has never been demonstrated that mineral exists in paying quantities in these mountains. It is there is it time that some of it was put on the market. I have never said that gold could not exist in any large amount."

TO HELP THE COLLEGE.

Rev. A. P. Stone Will Seek to Raise
Needed Funds.

Blackwell, O. T., Feb. 19.—The board of trustees of the Baptist college met on Tuesday and transacted considerable routine business, but the principal feature of the meeting was the appointment of Rev. A. P. Stone, of Shawnee as financial agent for the college. Mr. Stone went to Shawnee today and will meet Rev. M. P. Hunt tomorrow and confer with him on the matter in hand. Both gentlemen are connected with the Southern Baptist convention. Both are gentlemen who don't do things by halves and anticipations are entertained of their success in removing the incubus that hangs over the college.

ernment employ. The result we well know no gold was found.

M'GUIRE HAS FULL INNING

Objects to Coupling the Two
Territories.

TAXATION IS UNEQUAL

Refers to the Osage Indians as
Richest in World

Washington, Feb. 19.—The final hearings on statehood were held today by the house committee on territories. Delegate McGuire, of Oklahoma, occupied the day before the committee on an argument showing why Oklahoma should be admitted as a state.

It would be unfair, he maintained, to couple his territory with the Indian territory on account of the unequal taxation caused by the unsettled state of Indian lands.

Mr. McGuire called attention to the Osage Indians as the richest people in the world. This tribe consists of about 100 persons. Each person owns 600 acres of valuable land and an equal interest in a fund of \$350,000 on which the government pays 5 per cent annually, giving each an income of \$1,750 a year.

KIOWA LESSEES RESOLVE.

Think Rents Should Not Be Advanced
in That County.

Guthrie, O. T., Feb. 18.—The school land lessees of Kiowa county held a meeting at Hobart last Saturday. After electing G. G. Denton, of Cooper township, chairman, and W. B. Cuppy, of Hobart, secretary, the meeting heard and adopted the following resolutions:

Resolved, 1. That we heartily endorse the resolutions adopted by the territorial convention of school land lessees held at Guthrie, O. T.

2. That we protest against any raise of rental for the ensuing term, for the reason that the school land lessees in Kiowa county and other new counties have been unable to make their leases profitable, owing to the raw state of land and unfavorable conditions which have existed since the opening of the high bonus paid-out being a well known fact that the subjugation of the raw prairie is a source of expense rather than profit during the first three years of its cultivation.

3. That we particularly endorse that portion of the McGuire bill which provides that the lessees are to have preference right of purchasing said land in the event the same was sold.

OIL AND GAS STOCKHOLDERS.

They Meet at Chandler and Perfect an
Organization.

Chandler, O. T., Feb. 19.—The stockholders of the Chandler Oil and Gas company met on the 15th or 16th of Feb. at a meeting at the armory and perfected their organization by adopting the articles of incorporation as filed with the territorial secretary Saturday, adopting by-laws and electing a board of directors.

The meeting was called to order by W. Burgess, who was made chairman and H. B. Gilstrap, secretary.

The soliciting committee reported that they secured subscriptions to the \$250 stock required in a few hours Saturday afternoon and forwarded articles of incorporation that evening.

The following board of directors was chosen by the stockholders: W. Burgess, J. M. Hale, H. M. Johnson, W. S. Morris, Charles Page, J. F. Chambers.

The directors held a meeting immediately after the stockholders adjourned, and organized by electing the following officers: W. Burgess, president; J. F. Chambers, secretary; J. M. Hale, treasurer.

BOTH ARE CANDIDATES.

Guthrie and El Reno Are Both Eager
to Extend Hospitality.

Guthrie, O. T., Feb. 19.—Both Guthrie and El Reno are candidates for the territorial convention held by the Republicans in the near future, to select national delegates to Chicago. Mayor Barnes and the Guthrie Commercial club have extended invitations and the authorities of El Reno have taken similar action.

The territory committee meets here tomorrow to decide the time and place for holding the convention.

To Cure a Cold in One Day

All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 2c.

TO MAKE AN EFFORT.

Beaver County Believes It Should
Share Irrigation Fund.

Guthrie, O. T., Feb. 19.—A convention of the representatives of the several townships of Beaver county, O. T., will be held in Beaver City, O. T., on the first day of March, A. D. 1904, at 2 o'clock p. m., for the purpose of making a concerted effort to secure irrigation for Beaver county under the recent act of congress making an appropriation for said purpose, says the Herald.

It is desired that each organized township in the county shall hold a convention on Saturday, February 20, 1904, for the purpose of selecting delegates to attend said county convention, and it is urgently requested that one delegate, who can express the sentiment of the people of his township and protect their interests.

Dr. A. J. Sands, J. D. Lundy, J. V. Alexander, committee.

CHITLUMEN'S PROGRAM READY.

Secretary Bolton Has Issued the Off-
cial Plans.

Guthrie, O. T., Feb. 19.—The official program of the Tenth Annual convention of the Oklahoma Live Stock association, which meets at Oklahoma City on February 22, 23, 24, was today issued by the secretary, W. E. Bolton, of Woodward, O. T., and is as follows:

dent. Invocation—Address of welcome, Mayor of Oklahoma City. Response, vice president Geo. W. Crowell. President's annual address. Report of secretary. Report of treasurer. Election of officers for coming year. Appointment of committees on resolutions by the president. Re-election—Miss E. G. Burke. Adjournment. 2 p. m. members and guests are invited to visit cattle barns and sale yards, and participate in entertainment given by Oklahoma City.

Wednesday, February 24—
9:30 a. m. Reports of standing committees, followed by general discussions and introduction of resolutions. 10 a. m. Address—Governor T. B. Ferguson. "Epidemic Fever," by Col. Albert Dean, agent bureau animal industry, Kansas City. Live Stock Conditions in Oklahoma—Thomas Morris, secretary Oklahoma Live Stock Sanitary commission. "How Best can Oklahoma be Protected from Splenic Fever," Col. T. M. Thacker, Mangum. "Value of Oklahoma Live Stock Association to the Farmer," W. W. Farmer, Shattuck, O. T. Re-election—Miss E. G. Burke. Adjournment. 2 p. m. World's championship roping contest, four prizes, first, \$50; second, \$10; third, \$5; fourth, \$50 saddle.

Thursday, February 25—
9:30 a. m. "Scabies in Cattle," J. E. George, Liberal, Kansas. Discussion—C. Lockhart, May. O. T. "Live Stock Transportation," Supt. H. A. Tice, Arkansas City. Discussion, "Use of Dipping Vats," G. M. Moore, Kansas City. "Glanders in Oklahoma," Dr. L. J. Allen, B. A. I. "Winter Feeding and Marketing," M. P. Word, Grand, O. T. "Oklahoma at the World's Fair," Fred L. Wenner, Guthrie. "Stock yards Market Talks," St. Louis, L. W. Denker, Kansas City. W. H. Wooley, St. Joseph, M. R. Irwin, Chicago, W. E. Skinner, Wichita, W. R. Dulaney, Fort Worth, J. W. Hovenkamp. Report of committee on resolutions. Appointment and confirmation of executive committee. Legislation of standing committees on legislation, quarantine and transportation. Rollover, adjournment. 2:30 p. m. World's championship riding contest. Three prizes: first, \$50; second, \$10; third, \$5 saddle and bridle.

Friday, February 26—
9:30 a. m. "Scabies in Cattle," J. E. George, Liberal, Kansas. Discussion—C. Lockhart, May. O. T. "Live Stock Transportation," Supt. H. A. Tice, Arkansas City. Discussion, "Use of Dipping Vats," G. M. Moore, Kansas City. "Glanders in Oklahoma," Dr. L. J. Allen, B. A. I. "Winter Feeding and Marketing," M. P. Word, Grand, O. T. "Oklahoma at the World's Fair," Fred L. Wenner, Guthrie. "Stock yards Market Talks," St. Louis, L. W. Denker, Kansas City. W. H. Wooley, St. Joseph, M. R. Irwin, Chicago, W. E. Skinner, Wichita, W. R. Dulaney, Fort Worth, J. W. Hovenkamp. Report of committee on resolutions. Appointment and confirmation of executive committee. Legislation of standing committees on legislation, quarantine and transportation. Rollover, adjournment. 2:30 p. m. World's championship riding contest. Three prizes: first, \$50; second, \$10; third, \$5 saddle and bridle.

SOME POLITICAL POINTERS.

Many Citizens Desire to Attend National
Convention as Delegates.

Guthrie, O. T., Feb. 19.—There are now two avowed democratic candidates for national delegate to St. Louis next June: Senator T. P. Gore of Lawton and Editor D. M. Hamlin of the Newkirk Democrat. The latter is described as a Democrat of the old school, highly intelligent and full of party loyalty.

On the Republican side the editor of the Tonkawa News favors the election of W. C. Terrell of Blackwell as one of the delegates to Chicago and he has been endorsed by the Kay county Republican committee.

Woods county has plenty of aspirants; those being mentioned are T. J. Wormack of Cherokee, George E. Nickel of Alva, J. H. Giesler of Garfield and Editor Lee Watkins of Cleo.

Mr. Giesler who recently returned from Washington, where he was leading his influence toward the passage of the McGuire statehood bill, says there is nothing in the report that congress may divide Woods into two counties; he says that although frequently with Congressman McGuire in Washington, yet the latter never once mentioned anything about the division of that county.

Mr. Giesler believes Woods county will never be divided.

J. P. Renshaw, clerk of the court in the Fifth Oklahoma district, expresses great confidence in the selection of an Enid Republican as one of the delegates to Chicago, provided that Captain Frank Frantz is the man endorsed by Garfield county. He says Frantz's election is certain.

While in Hobart recently William M. Cross, the recent democratic candidate for congress, stated that the result of his election contest against Congressman McGuire depended entirely upon whether or not the mutilated ballots, which were thrown out by the election judges, were counted. If he gets the recount he says he will be declared elected beyond any doubt. He says also that he is entitled to a re-nomination by the Democrats and believes he will get it.

Territorial Charters Granted.

Guthrie, O. T., Feb. 19.—A territorial charter was issued today to the Kickapoo Oil & Gas company of Shawnee with \$50,000 capital stock; the incorporators are R. D. Hall, D. B. Smith, W. C. Brissett, N. L. Hall and O. A. Brissett of Oklahoma City.

Notarial commissions were issued today to H. W. Renau of Manchester, Carl Utterback of Oklahoma City, Claude Wing of Piedmont, Dave Funnell of Lexington, and O. M. Cole of Luther.

The Senate Mining company, of Ponca City, with \$250,000 capital stock. The incorporators are G. T. Lee, of Arkansas City, Kan.; M. G. Gill, H. J. Seybold, J. B. Drake, J. P. Soule, Henry Rein, E. W. White, William Morgan, Roy Hampton, W. S. Schrankengast and H. C. R. Brodbolt.

The Inter-State Co-operative company, of Oklahoma City, with \$500,000 capital stock. The incorporators are Ira J. McKee and George J. Munroe, of Chicago, Illinois; W. F. Harn, of Oklahoma City, Kan.; M. G. Gill, H. J. Seybold, J. B. Drake, J. P. Soule, Henry Rein, E. W. White, William Morgan, Roy Hampton, W. S. Schrankengast and H. C. R. Brodbolt.

Notarial commissions were issued today to H. C. Stillwell, of Granite, E. B. Ellis, of Warlick, O. E. McCartney, of May, in Dewey county, and N. E. Walk, of Edwardsville, in Custer county.

Prisoners Receive Sentences.
Guthrie, O. T., Feb. 19.—The following federal prisoners were returned here today to the federal prison from Lawton, where they were sentenced as follows: all convicted of bootlegging whisky among the Indians: Harry Dunn, sixty days and \$50 fine; Ben Deek, Low Parker and Joe Walker, sixty days and \$10; William Orr and Mrs. Mary Fairbrother, six months and \$50.

Charged Mileage Dues.
Guthrie, O. T., Feb. 19.—Assistant Attorney General Chas. H. Woods is in Newkirk today prosecuting the case against the meat inspector who is charged with malfeasance in office for the reason that he is alleged to have illegally charged mileage fees. The meat inspector refused to go eight miles to inspect cattle for slaughter because no mileage was offered. From Newkirk Mr. Woods goes to Kansas City to attend the funeral of an uncle.

Prospect for Oil.
Guthrie, O. T., Feb. 19.—The people of Guthrie, through the Commercial club, are making the preliminary arrangements to prospect and bore for oil. It is the belief of Oil Inspector Ashton that Guthrie is in the oil and gas belt.

Day County Republicans.
Guthrie, O. T., Feb. 19.—The following

Cremo
is a good 5 cent cigar
If there was a better one
Cremo would not be
the largest seller in
the world

call has been issued to the Republicans of Day county by Chairman Wisard, of the county central committee:

"You are hereby called to meet in mass convention at Grand on Saturday, February 27, for the purpose of electing delegates to the territorial convention."

In Memory of Hanna.

Guthrie, O. T., Feb. 19.—In honor of M. A. Hanna, the territorial and federal offices here were closed this afternoon. During the time of the funeral many of the stores were closed and all were draped.

America's Greatest Medicine is Hood's Sarsaparilla—the Best Spring Medicine. Get Hood's.

Central Committee to Meet.

Hobart, O. T., Feb. 19.—The Republican county central committee has been called to meet in Hobart on Saturday, February 27, to transact such business as may properly come before it for consideration.

HE GOES TO ROME.

Dutch Minister Has Been Recalled
from Washington.

Washington, Feb. 19.—Garon Govers, minister of the Netherlands to the United States, called at the White House today to pay his respects to President Roosevelt and to present this letter of recall from this country. Baron Govers has been transferred to Rome where he will become the minister of the Netherlands to the government of Italy. The exchange between the president and Baron Govers were very cordial.

DENIES COAL SHORTAGE.

French Fleet is Well Supplied, the
Minister Claims.

Paris, Feb. 19.—Marine Minister Pelléan has written to Deputy de L'Orléan (Rep.), representing French Cochinchina, denying the shortage of coal for the French fleet and adding that measures had been adopted to protect French Indo-China against a sudden attack and to prepare for all eventualities growing out of the present situation.

ST. LOUIS WILL BE ABLE TO CARE FOR DEMOCRATIC CONVENTION.

St. Louis, Feb. 19.—Colonel John I. Martin, who will be sergeant at arms of the Democratic national convention held today:

"There is not the slightest doubt that we will be able to care for all the Democratic who may come here. We have reserved rooms for the entire New England, New York, Pennsylvania and Ohio delegations, together with many others from

The Eagle today published a dispatch from Ancon, announcing that the commander of the army corps had received orders from the minister of war prescribing certain measures in case of the eventual mobilization of the active army. Officers and non-commissioned officers on leave have been requested to return to their regiments.

GOVERNOR URGES HARMONY.

Would Have Mine Owners Extend
Olive Branch to Strikers.

Denver, Colo., Feb. 19.—Governor Peabody returned today from a visit to the Cripple Creek district where a banquet in his honor was given by the Republican club.

In their addresses the governor and others in his party, including Rev. T. N. Mahone, strongly advised the mine-owners to make terms with the Union miners who have been on strike since last August. The governor said:

"I think I have done my duty in bringing about law and order in the Cripple Creek district, and now I will take the burden from my shoulders and place it on yours. In doing this I would suggest that the Olive branch, the hand of friendship should be extended to the striking miners and that Harmony between the employer and the employee should be brought about."

CASTORIA.

Beare the Kind You Have Always Bought
Signature
HAS QUARTERS SECURED.

St. Louis Will Be Able to Care for
Democratic Convention.

St. Louis, Feb. 19.—Colonel John I. Martin, who will be sergeant at arms of the Democratic national convention held today:

"There is not the slightest doubt that we will be able to care for all the Democratic who may come here. We have reserved rooms for the entire New England, New York, Pennsylvania and Ohio delegations, together with many others from

the east and south. There will be about 700 delegates, and I have had no trouble in securing quarters for them.

"From reports which I receive daily I judge there will be an enormous throng at the convention. It would not surprise me if the convention alone brought 50,000 persons to St. Louis.

"The Associated Press and the Metropolitan newspapers will send more men to this convention than to any other convention ever held. We intend to build a large platform near the stage for the accommodation of the press."

Mrs. Winslow's Soothing Syrup.
Has been used for over FIFTY YEARS
by MILLIONS OF MOTHERS for their
CHILDREN WHILE TEETHING, with
PERFECT SUCCESS. IT SOOTHES THE
CHILD, SOFTENS THE GUMS, ALLAYS
ALL PAIN, CURES WIND COLIC and is
the best remedy for DIARRHOEA. Sold
by druggists in every part of the world.
Be sure and ask for "Mrs. Winslow's
Soothing Syrup" and take no other kind.
Twenty-five cents a bottle.

MEASLES ON BOARD.
The Maine is Quarantined Because of
the Epidemic.

Guantanamo, Cuba, Feb. 19.—The United States South Atlantic squadron is assembled in Guantanamo bay. Rear Admiral Barker, in command of the North Atlantic fleet, arrived today with the Massachusetts, Alabama, Illinois and Scorpion. The other arrivals were the Topeka, from Colon and the Missouri and Maine. The latter is quarantined, as she has a number of cases of measles on board.

The Minneapolis and the Yankee sailed for Puerto Plata, Santo Domingo, yesterday. Rear Admiral Sigbee arrived here today from Santiago, with the Detroit and Newark. Admiral Sigbee succeeds Rear Admiral Lambertson in the command of the South Atlantic squadron.

Santa Fe, N. M., Feb. 19.—The territorial Democratic convention which will elect delegates to the national Democratic convention has been called to meet at Silver City, April 12.
